

Forensic Counseling

In addition to assessment and evaluation services, Our staff at AAR Counseling Services provides treatment services to individuals involved in the court system.

Our Services are available to accommodate the needs of our clients as well as Attorney & other Court referrals.

We specialize in treatment services specifically designed for court ordered cases. Our Confidential, prompt and professional services for Forensic Counseling are available in all our locations.

Our services include:

- Anger Management
- DUI Counseling
- Sex Offender Treatment and assessment
- Substance Abuse evaluations and treatment
- Drug Screenings
- Mental Health Assessment & Treatment
- Parenting counseling
