

DUI Counseling

Have you been arrested for a DUI? Perhaps you've been convicted. In either case, it's likely that you have a range of feelings about the experience. We can help you sort them out and learn from this experience. If drinking and driving is a problem, we're on your side. We have the necessary tools to guide you in taking the next step, to help you feel good about your life choices-- and yourself!

AAR Services is a Licensed Provider to treat Clients in Collier and Lee Counties. Our compassionate and professional Clinicians and Staff guide you through a difficult situation. AAR will develop an individualized treatment assessment to meet all your needs. Through our counseling services, clients are able to identify the risk factors that lead to the DUI or other charges.

We are here for you, call today @ 1-800-289-7102.
