

Multiculturalism

The term multiculturalism generally refers to a state of racial, cultural and ethnic diversity within the demographics of a specified place, usually at the scale of an organization such as a school, business, neighbourhood, city or nation.

Some countries have official, or de jure policies of multiculturalism aimed at recognizing, celebrating and maintaining the different cultures or cultural identities within that society to promote social cohesion. In this context, multiculturalism advocates a society that extends equitable status to distinct cultural and religious groups, with no one culture predominating.
