

Group Counseling Handbook

THE GROUP COUNSELING HANDBOOK: A PRACTICAL GUIDE TO ESTABLISHING, MARKETING AND CONDUCTING THERAPY GROUPS

by American mental health counselors association

Authors Theresa M. Finer; Christopher Seavey provide a valuable and practical resource for counselors working with group therapy. Focusing on the practical/business side of group work, the authors provide advice in organization, administration, billing, time management, marketing, and other practice management issues. The Group Counseling Handbook includes advice, sample forms, information on insurance matters as they relate to group therapy, and discussion of issues involved in working with a wide variety of group types.
